Volume 1 Issue 3

Wow! What a meeting we had on August 14th! Steve Havens, principal from Guntown Middle School led a small presentation regarding the startup of the Jr. Civitan Club at the school.

After his presentation, he closed by introducing us to one of our newest Civitan members, Ms. Bonnie Hanna. Bonnie is a teacher at the Guntown Middle School, teaching the disadvantaged/handicapped children. Bonnie Talked with us regarding many of her experiences in the classroom as well as some possible community projects that we might consider including collecting aluminum cans for her kids and repairs on their classroom greenhouse located on the campus of Guntown Middle School.

Our new club gained a total of FOUR new members at our last club meeting. This was an excellent Recruitment meeting with a total of five guests and four of these becoming members!

Present at our last meeting were a total of 22 members. Please use this opportunity to reach out to the members who were absent from our meeting. Remember that a contact to an absent member gains you 10 points toward your VIP award.

You may also wish to pay these dues semi-annually (\$60) or annually (\$120) per member. Thank you so much for your promptness on this matter. (Our club Bylaws states that dues are to be paid quarterly, semi-annually or annually to reduce the paperwork involved in sending statements.)

Tonight's Speaker is our own club President, Gene Echols. He will share his experiences from the recent convention with all of us. He and Susan attended the convention on August 15 and 16 in Birmingham, Alabama.

Our next meeting on September 11, 2008, Scott Knight of Saltillo, will share information on the upcoming "Buddy Walk" that will be held at the Saltillo City Park. The Buddy Walk is an annual fundraiser for the North Mississippi Downs Syndrome Society.
