THE MISSION STATEMENT

To Build Good Citizenship by providing a volunteer organization of clubs dedicated to serving individual and community needs with an emphasis on helping people with disabilities.

We did not have a regular meeting on the second Thursday of December because that was Christmas Day. If you recall, in lieu of a regular meeting, we agreed to do something meaningful and good for someone in the community. I trust that you did this because this is one thing that we as Civitans should incorporate into our everyday lives.

Many of you missed our holiday meetings and projects. In November we assisted the Jr. Civitans at Guntown Middle School with the delivery of Food baskets for the needy. This was a very planned project and Bonnie Hanna deserves recognition for a job well done. I know that Mike and I were blessed just being a part of this project. The look of surprise and appreciation on the faces of the people whom we delivered baskets to was indescribable. I also want to thank you for your prayers as Mike Golebiewski underwent his surgery in October for his aneurysm and again in December for his cancer. He is presently confined in an isolation room at NMMC again for his cancer treatment. Your prayers are appreciated. Please continue to remember him in your prayers as he remains hospitalized.

Tonight's speaker is Debra Russom of Hardin House. Please make her feel welcome.

PLEASE REMEMBER to pay your dues if you have not already done so. If I do not have your birthday listed on the website, please be sure to give it to me.

If you have information to be placed in the bulletin, please call Debi at 662-869-3250 or mail your information to the following address:
